Having known Douglas Hamp for many years in the role of pastor, scholar, and teacher, I am able to commend him as a profound and clear thinker who communicates complicated subjects in a simple way. His Christ-like character and love for God's Word empowers his communication.

- **Ed Cornwell**, Assistant Pastor, Calvary Chapel Costa Mesa, CA

Doug Hamp's presentation is not only profoundly thought-provoking, it answers questions that most of us have wrestled with for years. Doug's postulation as it pertains to current DNA engineering and the future appearance of the Antichrist is remarkable.

- **John Mendoza**, Senior Pastor, Calvary Chapel Living Waters, San Juan, Capistrano, CA

I have known Douglas for many years and have found him to be one of the brightest individuals in the field of Bible. I frequently call him to discuss various theological, historical and most often, linguistic issues in the Bible. Douglas' knowledge of Greek, Aramaic and especially his expertise in Hebrew, make him a tremendous scholar of the Bible. In each of his three books, he looks at a biblical issue and then logically proves his point using linguistics, history, and original source documents. In addition to his high academic qualities, Douglas has impressed me as being a person of integrity and honesty.

- **Kenton Beshore Sr.** Director, World Bible Society D.D; Litt.D; D.SAC.TH.; PHD; and TH.D.

"A mind-changing book. The serious Bible student, wanting to teach accurately, should weigh Doug Hamp's evidence, rather than parroting tradition." - **Carl Westerlund, Th.M, Director Calvary Chapel Costa Mesa School of Ministry and Graduate School**

"If you've ever asked yourself whether the first six creation days were real days, or whether it even matters, this book by pastor and educator Douglas Hamp is for you." - **Ken Ham, Founder and President, Answers in Genesis and the Creation Museum**

"The First Six Days is a much needed contribution to settle the question of days or ages." - **Dr. John Morris, President Institute for Creation Research**

"A fresh look at prophecy! Douglas Hamp demonstrates that end times Bible prophecy is first given in the Garden of Eden...He then traces Satan's attempts to bring about his seed throughout human history and in these last days. The facts will shock you!" - **Pastor Chuck Smith, Senior Pastor Calvary Chapel Costa Mesa, CA**
